

Greenlooms Cottage Bed & Breakfast

How To Find Us

We're actually very easy to find, but do please note that 'Greenlooms' is quite a popular name hereabouts! – so follow these instructions and you won't get us mixed up with the several other 'Greenlooms'.

◆ Satnav users

Our postcode is CH3 7RX, but as one postcode covers a multitude of sins out here, your system won't necessarily get you directly to our door. So you, too, may well have to follow the instructions below.

From Chester

- 1) Take the A41 south, following signs for Whitchurch. The speed limit steps up from 30mph to 40 mph after you pass the Cheshire Cat pub on your left. You'll pass a BP garage on your left, and cross a small crossroads with Moor Lane going off to the left, Rowton Lane to the right.
- 2) Keep going for ¼ mile and take the next turn to the left into Eggbridge Lane, signposted 'Waverton', by White House Antiques.
- 3) Stay on this road, which becomes Guy Lane as you reach the middle of Waverton village.
- 4) Carry on for another mile, passing the infamous Crocky Trail on your left, and turn right into Martin's Lane.
- 5) After half a mile you will reach Greenlooms Cottage.
- 6) Don't be seduced by Greenlooms Cottages and Greenlooms Farm which you will pass on your way here – they are not us!
